

Greetings from Big Bear,

Welcome to the 4th annual Big Bear Pirate Faire. The Faire will be June 6th & 7th 2009. We hope to incorporate fun and history and the love of our lake into this Faire. We have some surprises in the works that I'm sure will be exciting for both participants and faire goers alike

Our faire is a production of the Big Bear Valley Renaissance Society, Inc., a non-profit, educational corporation. Lynda McGinnis chose to form a non-profit corporation to pursue her goals of providing educational funds directly to students and teachers. To accomplish this, all profits outside of those to maintain Faire are devoted to education. Those of us working with Lynda share her dreams and goals of better education here in our valley, and with these goals in mind we have decided that all of the Big Bear Staff will donate their time and receive no payment.

**Our Dragunear's Garden is available for weddings, receptions, birthday parties or any private party one wish to hold. It is a shady area close to ale stand & joust and can be accessed by Dragunear members. We are still accepting membership to the Dragunear's so we hope you'll consider it. All membership dues go into the property fund as we are hoping to purchase our current site!! (All donations welcome) Which brings us to another donation need! We are trying to raise the money to buy the land surrounding the site for parking, again any and ALL donations welcome. If you wish to donate product for our opportunity drawings they would be most welcome.**

We hope you will be able to join us at our Faire this year. We hope to create the kind of atmosphere that makes coming to our Faire a truly enjoyable experience that you anticipate year after year. To help accomplish this and as a thank you for your attendance and support we would like to offer the following:

Low cost advertisement in our program.

Camping on site.

Also, as those of you returning (from our Ren Faire) know, and those coming for the first time may have heard, we have some specific fire requirements which met by all participants. You need to read and sign the fire department requirements BEFORE you get here!! All fire requirements WILL be checked by the fire inspector and if they are not met, you will not be allowed to stay. As you all know we narrowly escaped disaster here in Big Bear in the fall of 2003, so I know you will ALL UNDERSTAND why we are so fire conscious here. Please read & follow ALL guidelines, be prepared to show all paperwork required. Thank you in advance for your co-operation.

**It has been brought to my attention that some vendors do not read the application before signing and sending it in. That created a little problem and some hard feeling last year, when we had to "remind" a few people of what their contract said and even bring it out to show them what they had signed. Please remember that there is a reason for these applications, I try to cover everything in them. I know it's lengthy, but better lengthy now so you don't have any surprises later.**

Please carefully read the application as it has lots and lots of information, and we really need the specific information we ask for, to be able to best meet your needs. Please remember to be specific on what your special needs might be as there will be ABSOLUTELY NO changing of spaces after the site plan has been finalized. The City will not allow ANY changes, so be specific or be prepared to take what you get!!

**THERE IS NO WATER OR ELECTRICITY AVAILABLE ON SITE!!**

I look forward to seeing all of you at our Faire.

Anon,

Lady McGinnis
